

## Compilation of subjects from the last year

Topics not covered in past seminars will include how to handle a lithium ion battery fire, cold weather engine starting and a few other short topics. We will have free food for those attending.

**Directions:** At the FOB, brick building by the flagpole.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
